

Hello Everyone!

We'd like to take a minute of your time to give you an update.

We would, first of all, like to thank our amazing and supportive customers and community. As we all work through this pandemic together, we are striving to accommodate everyone both in the healthiest and most convenient way possible. Our current schedule has our weekly-changing dinner menu from 5pm-8pm on Friday and Saturday and our brunch menu from 10am-3pm on Saturday and Sunday. We also offer our Meals to Go menus – which change every week – designed for takeout on Monday, Tuesday, Wednesday, and Thursday from about 4pm-7pm.

We continue to offer outdoor seating under our awning in the front with patio heaters for those who are more comfortable outdoors. Also we have the option of curbside pickup with contactless payment. As we move deeper into the Fall, however, and as the days get shorter and the weather chillier, we are starting to offer a limited indoor dining option for our patrons. We strive to remain in accordance with all safety measures from the Governor's Office. We are taking steps to ensure that our restaurant remains a safe and healthy location for our customers, community, and employees. A few of the many steps we are taking are:

- **INDOOR SEATING BY RESERVATION ONLY**
- **Limiting indoor capacity to 26 customers**
- 6ft spacing between tables
- Maximum party size of 4
- Mandatory face covering for employees and customers (except when seated)
- Daily health screenings for employees
- Hand Sanitizing Stations at the entrance of the restaurant
- Frequent sanitizing of all shared surfaces
- QR Code Menus to limit shared contact on printed menus

We have also installed an air purifier with a HEPA three-stage air filter. We will continue to utilize single-use disposable dishware for our customers to ensure that there is no cross-contamination.

As we move to this stage, we would like to ask for your patience. We recommend reservations and ask that customers limit their visits to about 90 minutes to provide ample time for sanitizing tables and welcoming new customers. We also would like to ask that you pre-order if possible by accessing our menu online and calling or messaging us your order.

Again our deepest thanks to all of you who have supported us through this time and we pray for the health, safety, and unity of our patrons, neighbors, and community.
